## Watch Out Cali!

Members of our Hop Team, Tap Troupe and Dance Company will travel to Anaheim, California to compete in the National Championship competition in July! Good luck to these dancers!

## Summer Time Fun!

Parents, do your kids need something fun to do this summer? There are several dance camps and workshops going on here at the studio in the month of June. Please see attached or check our website [www.allthatdancesite.com](http://www.allthatdancesite.com) for upcoming events.

Junior dance camps, ages 9 and older, have the dancers learning the techniques of improvisation & choreography, hip hop and lyrical. There will also be an audition workshop for those who wish to tryout for one of our award winning, dance companies, tap troupe and hip hop teams in August. The summer schedule will be available in the lobby, at the recital and online. Come join us for some summer time fun. Remember to have your dance shoes and costumes labeled for the shows.

## Auditions!

Dancers who would like to take their skills to the next level can audition to be a part of our amazing dance teams. Auditions will be held for our dance companies on August 17, 2018 at 4 p.m. Hip Hop team auditions will be held on August 18 at 11 a.m. Tap Troupe auditions will be held August 18 at 1 p.m. Dancers, who have never been on any of these groups, must attend the audition workshop the week of August 13-16th to prepare for this event. Dance company, tap troupe and hip hop team dancers attend workshops, competitions and dance conventions. They also represent the studio in various performances and events in and around Flagstaff. Being part of these groups is a huge commitment of time and money.

Please check with the studio office for an audition packet and more information on this event.
