

ALL THAT DANCE **COMPANY 2017-2018**

Philosophy

What is being a member of dance company all about? Besides allowing students to become better dancers, company allows dance students to become immersed in the world of dance. It allows the dancers to participate in an individual sport that also has the benefits of a team sport. Members of the dance company will understand that being in company is a balance of taking classes, attending workshops, competing and performing. The dance company will support and represent All That Dance at all times.

Company members will not view themselves in any way better than other dancer here at the studio. We do not want, nor will we tolerate, competition within the company or in the studio. We want our company members to have a fun and rewarding experience. However, we will also work hard. Success can only be gained through hard work.

Auditions

In order to participate in company classes, your dancer is required to audition. Auditions are held in the summer, before the fall semester of dance classes begins. Audition workshops are held in an eight hour, workshop format that prepares the dancer for auditions. The cost of the workshop is \$125 and held August 14-17th. Auditions are closed to the public!

Company members are encouraged to take workshops and classes here at the studio this summer. Company auditions are August 18th at 4 p.m. The cost to audition is \$25. New company dancers must attend the audition workshop in August. Once selected for company, parents do not have to pay to register for company dance classes. Class levels for company members will be determined at auditions. Company members must take all required classes.

Company Requirements

As a member of the Senior Company, you are required to take seven classes. Adv. Lyrical, Jazz, Acrobatics, two Ballet classes and ballet class en pointe are required. Company rehearsals, the 7th class is held on weekends during the semester. Some of these classes are not available to other dancers at this studio, only company members may attend.

As a member of the Teen Company, you will be required to take six classes. Acrobatics, Co. Jazz and Lyrical, Ballet and one pre pointe or en pointe class are required this year. Company rehearsals, the 6th class is held on alternating weekends during the semester. Some of these classes are not available to other dancers at this studio, only company members may attend. We also require that Int. Company dancers take pre pointe when old enough.

As a member of the Jr. Company, you will be required to take five classes. Jazz Lyrical, Acrobatics and Ballet are required this year. Company rehearsals, the 5th class are held on alternating weekends during the semester. Some of these classes are not available to other dancers at this studio, only company members may attend. We also recommend an Acrobatic class as well.

As a member of Mini Company, you will be required to take three classes. Company Jazz and Ballet. Company rehearsals, the third class will be held on alternating weekends. We recommend Acrobatics, Tap and or Lyrical as well.

Company Costs

All That Dance realized that being a member of company is costly will do everything to communicate required fees. Other additional costs to company will be costumes, workshops and competitions. Prices for each will vary. All company members will attend at least one workshop (to be determined). Workshops are hosted by professional dance organizations. Participation in competition is voted on each semester by the company members and staff. Competing allows

the company members to show off their talents and skills, as well as enforce the importance of being a gracious participant and winner.

These activities also foster company spirit while allowing the group to become better dancers. The company members will also perform in and around the Flagstaff area. We do all of this in hopes that it will improve our dancers and in turn, improve our company.

Dances

The amount of dances learned by each company will depend upon many factors. Most dances will be taught during the rehearsals. Some dances will be taught for performances, while some dances will be used for competitions. Therefore, the number of costumes needed, will depend on the number of dances learned. All That Dance realizes how expensive costumes can be and will be conscious of pricing when choosing company costumes. When possible, we try to reuse costumes from previous recitals!

Every member will be responsible for knowing all the dance material taught for their group. Small group, solos, duos or trios will be by invitation of the Company Director and Company teachers only. Company members should always have a copy of their dance music in hand to practice on at home or in the studio.

Attendance

Attendance to all company classes and rehearsals is a vital component of a successful dance company. We believe that it is not only damaging for the student to miss class, but it is also unfair to their fellow dancers as well. Therefore, the only excused absences are school related conflict, contagious illness or a death in the family. Company members are responsible for notifying the Company Director immediately of any emergency.

If a company member misses more than two company classes and/or rehearsals, in one semester, the company member may be approached by the teacher and placed as an alternate in the company dances. This policy will be enforced and consequences are based at the teacher's discretion.

Dress Out

Company members must always be dressed out appropriately for dance class. This includes black leotard, pink tights, pink ballet slippers for ballet and lyrical foot thongs and black jazz shoes. Company members must always have their hair worn properly for dance class. For ballet, company members must always have their hair in a tightly secured bun. If a company member is assisting a dance class, it is imperative that the company member is dressed out appropriately for that dance class.

Parent Support

It is necessary that we have parental involvement. Without parental support, our company cannot be successful. Parents will be asked to be sure of their child's attendance. Parents are invited to attend all workshops and competitions. Parents will become part of the fundraising committee. This committee will determine all fundraising activities. Parents of company members are to be supportive and positive with all dancers here at the dance studio at all times.

Workshops and Competitions (dates and place to be determined in the Fall semester)

Company members are required to attend an overnight workshop or convention (TBA).

Company members must attend at least two competitions (February and or March).

Company members must perform in all local events or performances.

Company members must attend all in-studio, finale, tech & dress rehearsals for the spring shows.

Company members will attend all rehearsals and Nationals next summer (June or July).
